**PART--I-- Orders and Notifications by the Government of Tripura,  
The High Court, Government Treasury etc.**

Government of Tripura  
Office of the Chief Secretary  
Agartala : Tripura (West)

No.F.2(1)/CS/H&FW/Mask/2020

Dated 4th May, 2020

## **NOTIFICATION**

In supersession of all other notifications/regulations made and issued in this regard and on this behalf, the State Government in exercise of the powers conferred under section 2 of the Epidemic Disease Act, 1897 is pleased to make the following Regulations regarding COVID-19 (Corona Virus Disease 2019):-

1. Short Title & Commencement:-
    - (i) These regulations may be called "The Tripura Epidemic Disease, COVID-19 Regulations, 2020"
    - (ii) These regulations shall come into force immediately and shall remain valid until further order.
  2. Definitions:
    - (i) 'Act' means the Epidemic Disease Act, 1897 and the Regulations means "The Tripura Epidemic Disease, COVID-19 Regulations, 2020.
    - (ii) Epidemic Disease in these regulations means COVID-19 (Corona Virus Disease, 2019).
    - (iii) "Authorized persons" under these Regulations are Director of Health Services, Director of Family Welfare & Preventive Medicine, Mission Director (National Health Mission), State Surveillance Officer, Chief Medical Officers and District Surveillance officers as authorized by the Health & Family Welfare Department, who shall designate inspecting Officers within their respective jurisdiction.
  3. All Hospitals (Government & Private) shall have Influenza Like Illness (ILI) corners/Flu corners for screening of suspected cases of COVID-19 or any other viral illness.
  4. All Hospitals (Government & Private) during screening of such cases shall record the history of travel of the person if he/she travels to any country or area where COVID-19 has been reported. In addition, the history of coming in contact with a suspected or a confirmed case of COVID-19 shall be recorded.
    - (i) In case the person has any such history in last 14 days and the person is asymptomatic then the person must be kept in home quarantine for 14 days from the day of exposure.
    - (ii) In case the person has any such history in last 14 days and the person is symptomatic as per case definition of COVID-19, person must be isolated in a hospital as per protocol and will be tested for COVID-19 as per protocol.
-

- (iii) Information of all such case should be given to office of the District Surveillance Officer of IDSP immediately.
5. No person/Institution/Organization will use any print or electronic media or social media for information regarding COVID-19 without prior permission of Health Department, Tripura. This is to avoid spread of any rumor or unauthenticated information regarding COVID-19. In case any person/Institution/Organization is found indulging in such activity it will be treated as a punishable offence under the Act and these Regulations.
  6. No private laboratories have been authorized to take or test samples for COVID-19 in the State of Tripura. All such samples will be collected as per guidelines and will be tested in the Department of Microbiology, AGMC.
  7. Any person with a history of travel in last 14 days to a country or area from where COVID-19 has been reported, must report to nearest Government Hospital or call at toll free helpline No. 0381-231-5879, so that necessary measures if required may be intimated by the Health Department.
  8. All persons with a history of travel to a country or area from where COVID-19 has been reported in last 14 days, but who do not have any symptoms of cough, fever, difficulty in breathing, should isolate themselves at home and cover their mouth and nose with a mask. Such persons must take precautions to avoid contact with any person including family members for 14 days from the date of arrival from such areas.
  9. Authorized persons as per regulation 2(iii) of these Regulations are authorized under this Act to admit a person and isolate the person if required incase he/she has a history of visit to an area where COVID-19 is epidemic and the concerned person is symptomatic.
  10. If a suspected person of COVID-19 refuses admission or isolation, the officers authorized in section 2(iii) of these regulations will have powers to forcefully admit and isolate such person for a period of 14 days from the onset of symptoms or till the reports of lab tests are received, or such period as may be necessary.
  11. In case of COVID-19 are reported from a defined geographic area such as the village, town, ward, colony, settlement, the District Administration of the concerned district shall have the right to implement following containment measures, but not limited to these, in order to prevent spread of the disease.
    - i. Sealing of the geographical area.
